Open Discussion:

Jane Neufeld had come to use to give a look over the future plans for Akenac after closing reviewing all the choices we have all come to a consensus. All 3 firms are basically the same the one that stood out was the Simone Collins company due to the fact they have done work with a local location and turn around time was 30 days.

We would like to put a suggestion box at Akenac Park for the guests that are coming to the park
